Re: US v Markus
18-32

Your Honor,

I am writing with regard to my voucher in the above matter

I am seeking permission from the Court to file this voucher past the date for which it should have been submitted.

Due to significant issues in my personal life, the loss of my son, a serious heart problem which I developed and the care of my wife along with the loss of my support staff I have failed to file the voucher in the above matter in a timely manner although you are well aware of the significant time and effort I put into the trial of this matter.

If the court approves this application the voucher will be submitted within the next two weeks.

Respectfully,
Charles S. Hochbaum
